

Electrical Supplies. Powerful Service.

Global resources powering local service and support.

All the electrical products you need. Wherever & whenever you need them.

Over 250,000 SKUs, 3.5 million square feet of warehouse space. More than 170 locations across the U.S. and internationally. Gexpro is a world-class electrical products supplier with the resources to get you what you need, where and when you need it. All with a focus on improving your profitability and competitiveness.

We deliver the expertise and unique support channels that enhance your day-to-day efficiency and productivity:

- Products from over 200 manufacturers – all backed by the expertise of our team of Product Specialists
- The latest e-commerce tools on gexpro.com
- Global Sales Center (GSC) – a single point-of-entry for our small- to medium-sized customers
- Global Account Management – integrated support for large, multi-location customers
- Parts Super Center – immediate access to over 12,000 different GE renewal parts, 24 hours a day, seven days a week
- Tech Center – single-source technical support, sales and customer service for motors and drives, automation, control and power equipment and security products
- Motor Direct – immediate access to thousands of replacement motors – from mini to mighty
- 24-hour emergency service

Since 1904, we have delivered innovative solutions to make you more profitable. Today, Gexpro continues that tradition. And as part of Rexel – the largest electrical distributor on the planet – we're better equipped than ever.

No matter where you are or how big you are, Gexpro delivers. With the products, technical and administrative support, and fast, reliable delivery you need to succeed. That's the power of partnering with a market leader. An innovator dedicated to helping you thrive in today's business climate of doing more with less. That's the promise of Gexpro.
