

gexpro.com

Productivity gains that lead the market – so you spend less time and get more done.

How you get the products you need to run your business is changing dramatically. And gexpro.com is leading the way. Log on and you'll find new ways to be more productive and profitable with every transaction you make.

Filled with time- and money-saving features, gexpro.com helps you select and purchase electrical products faster than ever. And since it's available around the clock, you can stop in whenever you want – two in the afternoon or two in the morning.

You'll find so much more than products in our online catalog. There are time-saving features to get you to the right product right away. Productivity tools to help you track and manage your purchasing. Application and product advice from industry experts and more. And it's all fast and easy.

Check out your new business resource.

Need to check pricing and availability? Log on and it's there, just like you'd expect. And you can save it as a price-protected quote for 30 days. But gexpro.com is also filled with features you'd never expect. Like "My Account" which gives you review, print and automatic spread sheet importing access to:

- Open Items
- Statements
- Order Status
- History
- Invoice Lookup

And you can customize the access level for each user, for greater control and security.

Feature filled and ready to help today.

Log on and start saving time with:

- A Customer Dashboard you and your rep can create to view real-time metrics anytime
- Purchasing Lists let you save Bills of Material and reorder them with a single mouseclick
- "My Catalog" saves the items you order into a custom catalog to make re-ordering even faster

- With our Supply Scan system, you simply scan the barcodes in your warehouse or from our catalog directly into gexpro.com for instant ordering
- New product showcases keep you up-to-date on the newest ways to do your job better
- An online help guide walks you through all the productivity-building features
- And so much more

Log on and see for yourself. Expert advice, service, support, specifications, answers to any question – it's all there whenever you need it. So everything you get from coming into your local Gexpro, you can now get online. Log on and see for yourself. Or call our Customer Care Team at 1-888-964-7585. See how much more profitable you become when you can allocate more time to making money instead of spending it.
