***To our Business Partners and Suppliers:***

Today, after much anticipation we are proud to announce our new Commercial Brand Name, **GEXPRO**. As a valued Business Partner, we wanted to share with you our excitement and commitment to our new Brand. With 78 years of Electrical Distribution experience, we are committed to building on our GE Supply Heritage and making **GEXPRO** a strong entity within the world's largest electrical distribution network, Rexel.

Rexel's interest is to continue fostering **GEXPRO's** growth by providing investment that will help the business expand its presence, products and services for customers around the world. We see this as an excellent fit and an opportunity for **GEXPRO** to continue to make your business and ours more successful.

No immediate changes on your side are anticipated at this time, and we are committed to communicating with you throughout our transition to **GEXPRO**. For Accounting and Legal purposes, we will continue to operate under the Legal Entity of "General Supply & Services, Inc.", which was established when Rexel acquired us last year, and our Federal Employer Identification Number (FEIN) will not change. However, please do not hesitate to contact your **GEXPRO** representative for information specific to your concerns.

**GEXPRO'S** commitment to our customers and suppliers remains unchanged. We will continue to provide the high quality products and services they expect and deserve. We know we can count on you to help us continue to meet that commitment, as we launch **GEXPRO** in the marketplace.

As always, thank you for your support.
